

PASTA

ANDREW, DAMON, JESSIE

PEOPLE FROM CHINA HAVE BEEN MAKING AND EATING PASTA FOR FOUR THOUSAND YEARS! WHEN YOU THINK OF PASTA YOU THINK OF ITALIANS. ANCIENT CHINESE HAVE BEEN INVENTING NOODLES AND PASTA FOR THE PAST FOUR THOUSAND YEARS. EARLY EUROPEAN EXPLORERS LEARNT ABOUT THE DELICIOUS NUTRITIOUS NOODLES DURING ENCOUNTERS WITH CHINESE. THE ITALIANS USED THEIR NOODLES TO INVENT THEIR OWN NOODLES. WE JUST LOVE THE WAY HOW THEY'VE BEEN MAKING THE NOODLES. THAT INVENTION WAS FANTASTIC AND COOL.
